

Core Targets for Writing

Each time your teacher sets a writing task you must check your work carefully before you hand it in to be marked.

Have you?

1. Used paragraphs correctly
2. Tried to vary your sentence structure
3. Punctuated your sentences accurately
4. Spelled correctly most of the words you have used
5. Indicated speech with inverted commas
6. Tried to hold the reader's attention
7. Organised your ideas clearly and logically
8. Used linking words accurately
9. Tried to include your thoughts and feelings if asked to do so

Now look at the presentation of your work. Is it neatly written and easily read? The more care you take, the more you will improve all areas of your written work.
