PTA matters.- this has been one of our most successful years yet. The PTA has had many events throughout the year. With the great success of the Choral Shield taking place in Motherwell Civic Center, to the school show in October and the sponsored walk in June, the PTA is very active in supporting the school. This year our chairperson Evelyn met with the Parent Council and also the War Memorial Trust to help us all work together and establish links and help with funding and ideas.

We also help with much needed teas and coffees at the school show and spring concert-volunteers always needed. !
