Congratulations to all of the S1 pupils who participated in the S1 Enterprise Challenge on 30th October. Their task was to design and make a unique pair of trainers that they would like to see worn by an athlete at the 2016 Olympic Games in Rio.. They had to gather in small teams as well as budget and calculate profit for selling 100 pairs of trainers. Particular congratulations to the winning group, "Atmosphere". Their final design really caught the eye of the judges.
