

TIMEFRAME Upper Course	Mid August - Start October	Mid October - End January	Start February - End April	June
CONTENT	Integers Scientific Notation SDT The Circle 1	Fractions Algebra Pythagoras RAT (SOHCAHTOA)	Angle Properties Number Work & Percentage Calculations Statistics The Circle 2	Volume Algebra
RESOURCES	TJ Textbooks, MIA Textbooks, Practical Activities and Numeracy and Maths Workout	TJ Textbooks, MIA Textbooks, Practical Activities and Numeracy and Maths Workout	TJ Textbooks, MIA Textbooks, Practical Activities and Numeracy and Maths Workout	TJ Textbooks, MIA Textbooks, Practical Activities and Numeracy and Maths Workout
ASSESSMENT	Assessment 1 (taking place beginning of October), Formative Assessment, Profiles	Assessment 2 (taking place end of January), Formative Assessment, Profiles	Assessment 3 (taking place beginning of May), Formative Assessment, Profiles	
HOMEWORK	Daily from Homework Booklets or textbooks Homework can also be accessed via Edmodo (teacher will provide pupils with group code)			
WORLD OF WORK	Train Driver, Retail, Design and Manufacture, Engineering, Architecture, Hospitality, Beauty, Banking and Finance, Systems Analyst, Scientist, Surveyor, Accountant			
WHAT CAN PARENTS/CARERS DO TO HELP?	We would encourage pupils to access numeracyworkout.com and mathsworkout.com from home using the Username: Dalziel and Password: formula29 for extra practice on a variety of topics
