

Department: Science

Subject: Science

National 3 Level

In order to pass this subject at National 3 level, pupils must internally pass the following individual units:

(List & Name)

Unit 1	Fragile Earth
Unit 2	Human Health
Unit 3	Applications of Science

Pupils also must produce the following portfolio/project etc:

Outcome 1: Practical Experimental report
Outcome 2.2/2.3: Short report on the application of Physics/Effect on environment or society.
Outcome 2.4: Problem solving, 3 areas (predicting, selecting, processing,). Each area is assessed during End of Unit assessments.

Are there any other aspects which contribute to the final pass?
