

Department: Science

Subject: Physics

National 5 Level

In order to pass this subject at National 5 level, pupils must internally pass the following individual units:

(List & Name)

Unit 1	Waves and Radiation
Unit 2	Dynamics and Space
Unit 3	Electricity and Energy

Pupils also must produce the following portfolio/project etc: These are essential in order to pass the units, However do not contribute to the final award.

Outcome 1: Practical Experimental report.

Outcome 2.2/2.3: Short report on the application of Physics/Effect on environment or society.

Outcome 2.4: Problem solving, 4 areas (predicting, selecting, processing, analysing). Each area is assessed during End of Unit assessments.

Finally pupils must sit an exam.

Give details of the type of exam:

20 Multi choice questions. 80 marks total + 20 for the Assignment.

Are there any other aspects which contribute to the final pass?

Assignment: SQA marked 20 marks. Externally marked research assessment in which pupils are awarded marks based on the details given in the report, its clarity and its reliability.
